

Peli Lights - 9450 RALS

Remote Area Lighting Systems

Black Orange

9450 RALS - portable work lights.

Peli's well-known 1510 case, combined with 16 x 1 watt Luxeon LEDs do 9450RALS the perfect companion in any work situation. A suitcase with wheels and trolley handles are easy to transport and can be set up anywhere. A rechargeable battery mounted in the trunk, giving a total of 17 hours light / 9 hours at max power. Full recharging duration of 6 hours.

On the back of the trunk indicates small LEDs on the battery power levels. At the same time, the rear trunk also provides for additional mains. All parts are stored in a suitcase and can be assembled in minutes. A telescoping rod in the aluminum can be extended to 2.10 meters and lamp head with the 16 LEDs provide 1280 lumen aortic pressure line, which ensures good light for any area.

The beam has a range max. 90°. A bundled lens can be fitted to switch from one focus to a diffused light. Possibility of charge at 230V electrical outlet or by 12V mains from the car.
