

Peli Lights - StealthLite Recoil 2410 series

Compact and powerful torches for use in locations with extreme temperatures and thick smoke

StealthLite™ Recoil LED 2410

Same features as the StealthLite 2400 but with the Recoil LED module that produces a true, bright collimated LED beam. The 2410 StealthLite Recoil LED is corrosion proof, resistant to extreme temperatures, and submersible. It is powered by 4 AA alkaline cells (included). For hands-free operation, attach it to your hard hat with our optional helmet light holder.

StealthLite™ 2410 Zone 1

Same features as the StealthLite 2400 but with the Recoil LED module that produces a true, bright collimated LED beam. The StealthLite 2410 Recoil LED Zone 1 is corrosion proof, resistant to extreme temperatures, and submersible. It is powered by 4 AA alkaline cells (included) and certified to ATEX Zone 1 (Category 2). For hands-free operation, attach it to your hard hat with our optional helmet light holder.
