

Peli Lights - StealthLite 2400 series

Compact and powerful torches for use in locations with extreme temperatures and thick smoke

Submersible 

StealthLite™ 2400

Popular with firefighters and adventure seekers. The unique easy slide thumb switch on the StealthLite 2400 is easy to operate, even with gloves. The tough resin body is corrosion proof and resistant to extreme temperatures. The Xenon lamp is powered by 4 AA alkaline cells (included) for a bright beam that penetrates thick smoke, fog, and dust. Attach the StealthLite to one of our optional helmet light holder clips and you have a hands-free light for work or play. Submersible to 150 meters.

Submersible 

StealthLite™ 2400 Zone 1

Same features as the StealthLite™ 2400 above but with static-dissipation materials body. StealthLite 2400Z1 is ATEX certified safe for use in hazardous Zone 1 (Category 2) locations, and is perfect for professionals who work in areas with high risk of explosion such as chemical, pharmaceutical, power, oil and gas, and fire rescue.
