

MEDIUM FIRST AID KIT

- First Aid for all your needs with the First Aid Kit from Lotek

Product no.: FKM 0010

This kit contains the basic elements for quick and efficient first aid on the accident scene. The kit is particularly suited for small businesses, farms and private housing. Please see below for kit contents.

The case is made from hard, shockresistant plastics, and all contents are CE marked and manufactured by ISO certified suppliers.

Practical mounting brackets

The First Aid Kit comes complete with practical brackets for wall mounting. The snap release caters for immediate availability in case of an emergency. The kit case is divided into sections for smaller items, and the divisions are covered by a transparent plastic lid.
